This fund is dedicated to a brave boy from Beantown who went up against an angry giant. In Jack's name, and for all children and families of pediatric cancer, we continue to fight the giant so that one day soon we will all live happily ever after.

Jack's Magic Bean Fund supports research for the toughest-to-beat pediatric cancers, provides financial assistance for families in need and funds bereavement support programs. We have many signature programs and events for the benefit of our pediatric patients and their families.

Support us today and help us to make pediatric cancer history!
